

GRAFTON COMMUNITY SPORTS AND EVENTS COMMITTEE

Kids 'N' Play Fund

In January 2016 the community of Grafton lost long-time resident Paul Keller. Paul loved sports and he loved kids. In his memory, the family created a fund to help ensure that no child in our community misses the opportunity to play local house league sports due to financial difficulties. This fund is available to low income families to assist with registration fees or the purchase of equipment. The Fund is administered and held in trust by the Grafton Community Sports & Events Committee and all applications will be in the strictest of confidentiality. In an effort to assist as many of the youth in the community as possible each individual grant shall be a maximum of \$200.00 per applicant.
